AUTODESK BIM 360

Activate your new BIM 360 Design account

BIM 360 Design is a cloud worksharing and design collaboration product built for distributed, multidisciplinary teams. With BIM 360 Design, you can co-author Revit models, control worksharing activities, and coordinate deliverable exchange across teams.

DO NOT USE THIS WEB FORM IF:

- ✓ You are NOT a Collaboration for Revit / BIM 360 Design contract manager.
- ✓ You already had a BIM 360 Docs, C4R/Design, Field/Build, and/or glue account prior to April 9th. If you already had a BIM 360 account, you should already have all your new modules activated in your site. Simply [login here](#) to get started.
- ✓ You are trying to activate the new Design Collaboration module on an existing BIM 360 account, as this site will create a new / separate account. If you are trying to add the new module to an existing account, contact your reseller for assistance.
- ✓ You are using Revit 2018.2 or earlier. If so, cloud worksharing can only be done using the BIM 360 Team platform. If you need to set up a new BIM 360 Team account, or assign a new contract to an existing Team hub, [click here](#).

If you already have a BIM 360 account and are trying to add the Design Collaboration module, contact your reseller for assistance.

Email: [REDACTED]

First name: [REDACTED] Last name: [REDACTED]

Company name: [REDACTED]

Contract Number (for C4R or BIM 360 Design): [REDACTED]

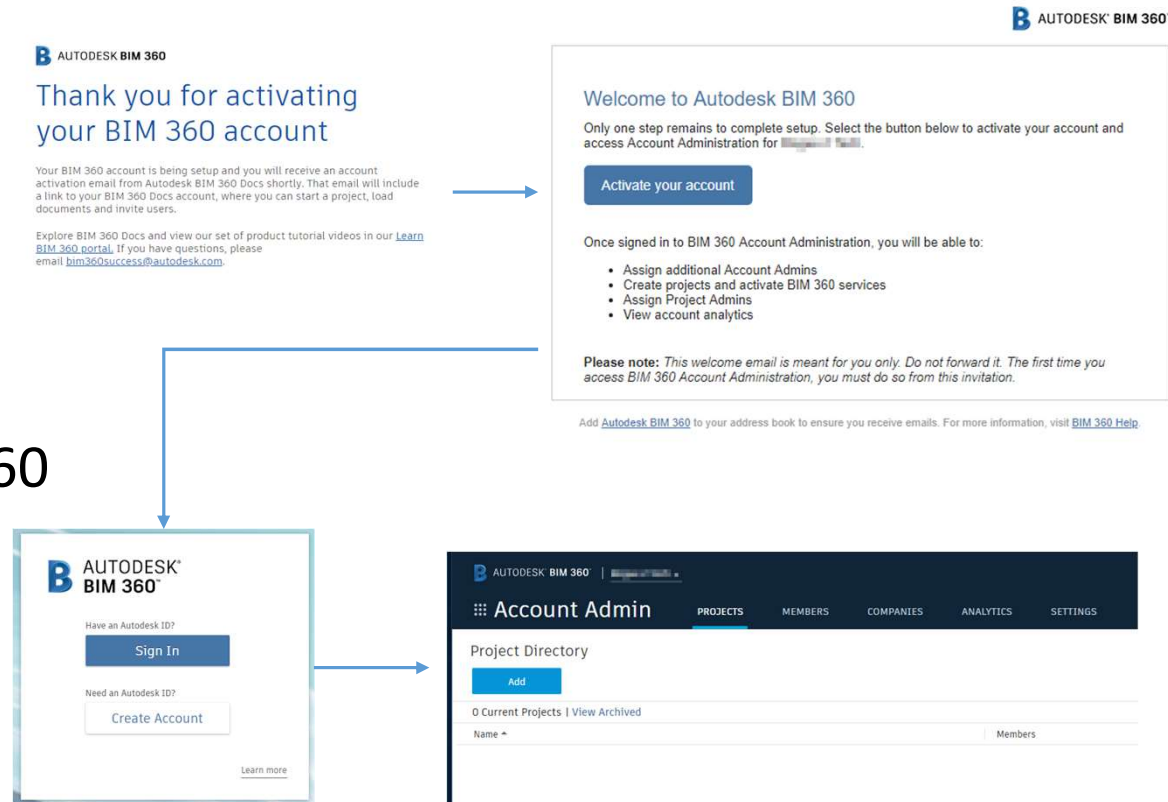

I agree to the [Autodesk Privacy Statement](#)

- Only activate once per account.
- You can add additional admins in product once you've activated your account.
- Take a look at our [FAQs](#) for additional details.

[ACTIVATING](#)

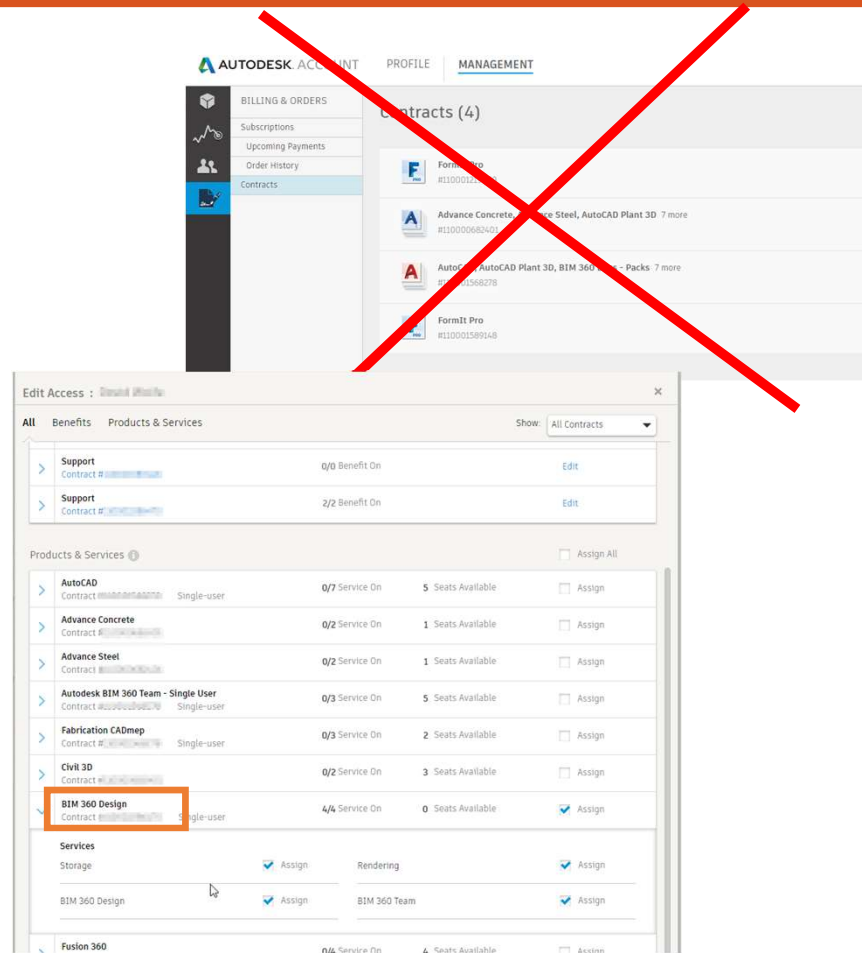

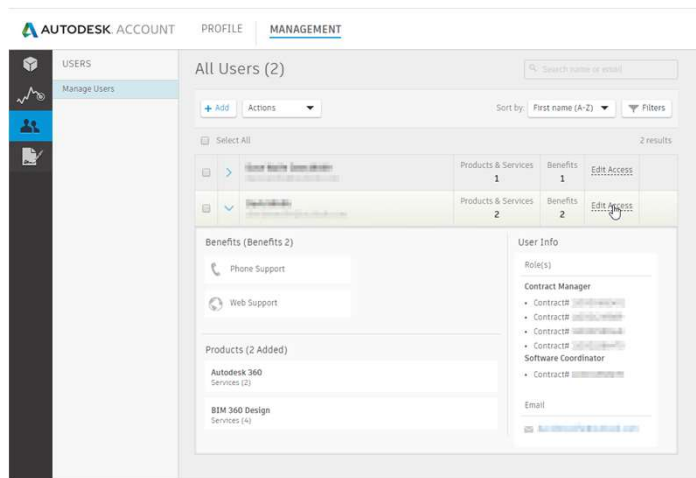

Launching BIM 360

- Activation Thanks
- Activate BIM 360 Account Email
- Sign into BIM 360 Design
- Separate from BIM 360 Team

Finding Contract Number

- Find Contract Number
- <https://manage.autodesk.com/cep/#user-management>
- Edit Access, note contract number

Creating New BIM 360 Team Hub

- Go To <https://myhub.autodesk360.com/login/contracts>
- Assign Contract
- BIM 360 Team Sign Up - **NO AUTODESK ID W/ EXISTING BIM 360 TEAM**

The diagram illustrates the process of creating a new BIM 360 Team Hub. It starts with the 'All Contracts' page, where the 'Assign contract' button is highlighted. This leads to a modal window for assigning a contract to a BIM 360 TEAM Hub. An orange arrow points from the 'Assign contract' button in the modal to a 'BIM 360 Team Sign Up' form. From the sign-up form, an arrow points to a screenshot of the 'BIM360_TEAM' hub page, which shows a table with one entry: 'Demo Project' created by 'A360 Autodesk'.

Contract ID	Details	Assigned date	Purchased by	Hub
	BIM 360 TEAM (10 members)	NA		Assign contract
	BIM 360 TEAM (1 members)	NA		Assign contract

Showing 1 - 2 of 2

Plan: BIM 360 TEAM (1 members)
Purchase date: August 4, 2018
Purchased by: [email address]

Assign this contract to BIM 360 TEAM Hub

Enter the URL of the hub you want to assign this contract to.
Enter hub URL (e.g. company.autodesk360.com)
* required

Don't have a hub? Sign up now.

Important: Once assigned, you can't change the hub to which this contract is assigned.

Submit Cancel
